

# WIN \$1,000

That's right; you or any one in your household could easily win a cool \$1,000 if you have any art ability.

The World Archery Festival, Inc. is looking for a new logo for its best and world renowned tournament, "THE VEGAS SHOOT". The artist that creates the new logo for "The Vegas Shoot will receive \$1,000 from the WAF.

The Logo must have a Vegas theme. Think of Slot machines, poker chips, playing cards, dice, roulette wheels, showgirls and bright lights. Mix in with these the Vegas multiple colored target and then submit your work. These are just some ideas, but the logo must incorporate the Vegas atmosphere with the Vegas multiple color target. The logo must also include the title of the tournament, "THE VEGAS SHOOT". Go wild with your imagination but remember it has to show a Vegas theme. Your art work will be as world famous as "THE VEGAS SHOOT" itself. You can't win unless you submit a drawing.

All art work must be submitted by September 1, 2010 and will become the property of the World Archery Festival, Inc.

Mail your art work to "WAF, 800 Archery Lane, Yankton, SD. 57078

Good luck to all from the Promotion Committee and the WAF board.
